Special Council Meeting
August 21, 2018
4:05 p.m.**

PRESENT: Mayor Molly Hughes, Councilmembers Catherine Ballay, Rick Walti, Jackie Henderson, Michael Moore and Pat Powell.

STAFF PRESENT: Clerk Treasurer Kelly Beech, Public Works Superintendent Kelly Riepma, Utility Superintendent Joe Grogan

DISCUSSION

Mayor Hughes opened the workshop with a brief summary of the agenda and description of what the group's goals were for the meeting. Mayor Hughes informed the Council that the group would not be looking at the 2019 Fee Schedule during this meeting, and that that item would be brought back to the Council at a later date. She then invited Utility Superintendent Joe Grogan and Public Works Superintendent Kelly Riepma to describe the projects each of them would like to see on the list for next year. Mayor Hughes described the other projects on the list provided to the Council and emphasized that the list is preliminary. A final list of Capital Projects will be presented to the Council as we move through the 2019 Budget process. No decisions were made at this meeting.

Finally, Mayor Hughes led a discussion on the Town's 2% process, which was updated last year. She informed the Council that the Town would be fine-tuning the application so that it will be easier for applicants to follow and responses will be clearer and easier to evaluate by the Council. No decisions were made at the meeting, and a draft of the new application will be presented at the next Regular Council Meeting on August 28th.
