An ordinance declaring that an emergency does exist and appropriating the sum of \$ 2000.00 for street maintenance and construction.

WHEREAS, due to the growth in certain areas in the Town of Coupeville, unforeseen needs have been placed upon certain streets in the town and additional street construction has been necessary,

Introduced this 4th day of April, 1958 and passed unanimously by the council and approved by the mayor this 12th day of May, 1958.
