

TOWN HALL NEWS

TOWN OF COUPEVILLE

VOL XXIII, Issue 2

April 2020

COUPEVILLE CARES FACEBOOK PAGE

The Town and the Chamber are resurrecting the Coupeville Cares Facebook page. This page was originally set up as a way for nonprofits to connect with each other. Now, we want it to be a space for the entire community to connect. Need help with something? Want to volunteer to help someone? Are you a nonprofit that has resources to contribute during this time? Do you have an inspirational story to share? Do you have a unique idea for home learning or activities for kids? This will not be a space for political commentary or negativity. Let's be positive and supporting. Coupeville Cares! Coupeville Strong!

TOWN EMAIL LIST STAY INFORMED

Please consider signing up for the Town email list. This is the only way we have of sending information directly to our residents, between utility bills. The current health crisis in our country is a perfect example of why we may need to provide immediate information to our citizens. We use the list carefully and won't fill up your mailbox with unnecessary emails. It's easy to sign up. Send an email to clerktreasurer@townofcoupeville.org asking to be included on the email list. Thank you!

TOWN HALL CLOSED TO PUBLIC

Town Hall has been closed to the public but all staff members are working remotely and continuing to process building permits and utility payments, pay the bills, and answer questions from the community. All staff members can be reached by email. See "Who To Contact" box on this newsletter. Check the Town website for more detailed information on permit applications. www.townofcoupeville.org

ESSENTIAL WORKFORCE

The Town's Utility, Public Works and Police staff is considered essential workforce and will continue to come to work. We are shuffling work shifts and hours to keep them healthy so they can efficiently run the water and wastewater plants, watch over public safety and be here for emergencies.

WHAT'S HAPPENING

Apr 4 • Coupeville Farmers Market Opens Check:

The Coupeville Farmers Market Facebook for updates. New health and safety procedures will be in place. Farmers Markets are on the Governors list of essential businesses.

WHAT'S ON HOLD

May 23 Memorial Day Parade

Check www.coupevillechamber.com for current information as we get closer.

WHAT'S CANCELLED

Penn Cove Water Festival

Hearts & Hammers

Work Day - May 2

THE GRASS STILL GROWS

Even during stressful times such as these, the grass still grows and needs to be mowed. It might feel good to do a simple, 'normal', task right now. This is a reminder that each homeowner is responsible for keeping their right-of-way mowed and maintained. This includes storm water ditches and driveway culverts. The Town will maintain all town owned property, parks, trails and gravel paths and open spaces. Is your neighbor elderly or sick or too stressed to get this done? Help them out and mow for them. We are all in this together!
