The public will be able to access the meetings in real time, by phone. Audience members wishing to be heard during the Audience Input portion of the meeting are asked to join the remote meeting at least five minutes before the meeting is scheduled to start, and to notify the Clerk Treasurer at that time, of their desire to speak.

As a reminder: This is time set aside for members of the public to speak to the Council about subjects of concern or interest, or items not already set aside for a public hearing. Input requiring more lengthy comment is best submitted in writing.
